

Glo is an interactive Bible that brings the full text of Scripture to life through HD videos, high-resolution images, zoomable maps, 360-degree virtual tours, customizable Bible reading plans and much more on Mac, PC, iPad and coming soon, iPhone. Using the intuitive browsing lenses in Glo, it's easy to personalize your Bible experience and find Scripture relevant to your daily life.

Experience the Bible like never before with Glo.

How it Works

The unique zoomable interface in Glo provides simple, intuitive ways to visually browse and filter a world of biblical content through 5 main lenses. Say you want to see what Jesus had to say on the subject of redemption during the Passion Week in Jerusalem. What would be an otherwise impossible search can be done quickly and easily with Glo.

The Five Lenses *

Bible

Within 2 clicks, find any chapter. The Bible is easy to navigate in its natural order and easy to read in a magazine format.
